The Durable Comfort-Smart Garage Mat is designed for comfort and functionality. The 3/8" Sponge Vinyl provides comfort and durability for long periods of standing while the high quality printed logo provides a modern design that fits nicely in a garage, basement, or workshop on one side and useful tips and conversions to make your work easier on the opposite side. The Comfort Smart Garage Mat has rounded edges for safety and is easy to clean.

Material: High quality PVC
Surface: Lightly textured
Thickness: Approximately 3/8"
