

Sponge vinyl cushioned mat helps ease foot, leg and back fatigue at standing workstations. Worker comfort and safety are provided by this sponge vinyl cushion mat. Ideal for use in factories and warehouses at workstations and assembly lines. The corrugated sponge vinyl surface traps dirt, resists oil and greases, and will not absorb water. Mats lay flat and stay in place increasing in-plant safety. To easily maintain the mats just hose, wipe, vacuum or sweep.

- Material:** Sponge vinyl core, corrugated surface.
  - Thickness:** 3/8"
  - Surface:** Wide ribbed corrugation
  - Colors:** Black & Gray\*
- \*Gray is available in full rolls only
